MATOF 2015

International Machine Tools & Parts Fair

Nov. 11 (Wed) - 14 (SAT)

Changwon Exhibition Convention Center, South Korea

HOSTED BY Gyeongsangnam-do Provincial Government, Changwon City Government

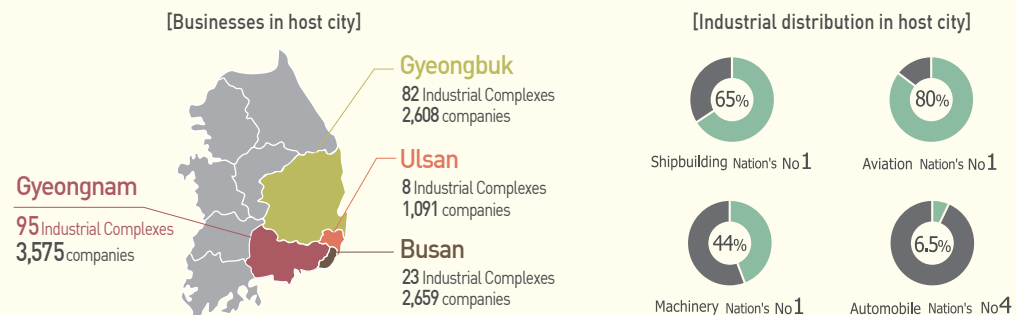

ORGANIZED BY CECO(Changwon Exhibition Convention Center), Korea Tools Industry Cooperative, Busan Gyeongnam Die&Mold Industry Cooperative

SUPPORTED BY The Ministry of Trade, Industry & Energy(MOTIE)

Why MATOF 2015?

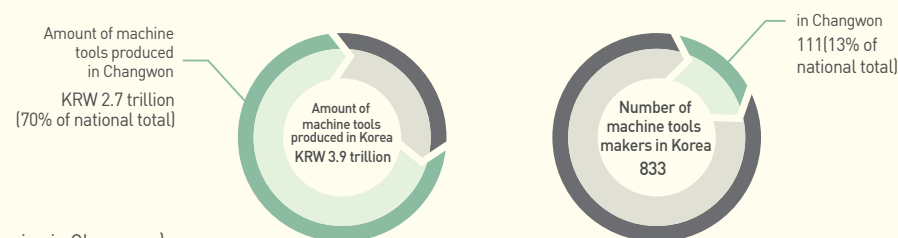

MATOF covers Korea's biggest machinery manufacturing industries

The area where MATOF has been held is Korea's largest machinery manufacturing and heavy industrial complexes, which is home to 95 industrial complexes and about 3,600 companies.

Companies in Changwon city produce 70 percent of the machine tools in the nation.

Changwon city is the base of many world class machine tools makers and large corporations representing Korea's machinery industry, such as Doosan Infracore, S&T Dynamics, Hankook Machine Tools, Hanwha TechM, Hyundai WIA and etc. Since the city is being as a big part of manufacturing the machine tools and parts in Korea, MATOF holds both the biggest producers and consumers.

(Leading companies in Changwon)

Governments support MATOF 2015

- MATOF has been designated as a promising domestic exhibition by the Ministry of Trade, Industry & Energy(MOTIE) and the Association of Korea Exhibition Industry(AKEI).
- The exhibition is supported by Gyeongsangnam-do Provincial Government, Changwon City Government, and the relevant administrative authorities.

Show Overview

- Title** : The 4th International Machine Tools & Parts Fair 2015(MATOF)
- Period** : Nov. 11 - 14, 2015
- Venue** : Changwon Exhibition Convention Center(CECO)
- Host** : Gyeongsangnam-do Provincial Government, Changwon City Government
- Organizer** : CECO, Korea Tools Industry Cooperative, Busan Gyeongnam Die & Mold Industry Cooperative

Items

Cutting Machine	CNC shelves, machining centers, high-speed machining tools, CNC milling machine, CNC grid ing machine, micro-processors, drilling machine, tapping machine, CNC electric discharge machine, laser cutting machine, waterjet cutting machine, ultra-precision machine and other cutting tools
Forming Machine	machine and hydraulic presses, shearing machine and press brakes, bending machine, spinners, spring coiling machine, bolt & nut molding machine, thread rolling machine, other molding tools and automation equipment
Control & Measuring instruments	PLCs, inverters, converters, hydraulic & pneumatic control devices, motion control devices, sensors, encoders, counters, meters, load cells, machine vision systems, temperature/pressure gauges, etc.
Tools	drills, endmills, taps, milling cutters, hobs, diamond tools, carbide tools, power tools, magnetic tools, pneumatic tools and controller units
Related devices & Parts	bearings, hydraulic units, hydraulic pumps, lubricant oil, lubricant systems, oil rulers, chip conveyers, CAD/CAM etc.

Participation Guidelines

Complete & Submit your application form to matof@matof.co.kr

Participation Procedures

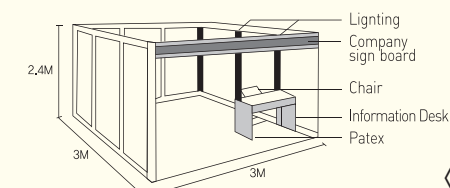

Utility

Classification	Details	Unit	Price	Remarks
Electricity	Single-Phase 220V	kw	USD 40	Electrical capacity : 3,000KVA Frequency : 60Hz
	Three-Phase 220V			
	Three-Phase 220V			
Telephone	Local calls	EA	USD 60	
	Overseas	EA	USD 200	
	RF Card System	EA	USD 200	Visitors data Provided
	LAN	Port	USD 100	
	Compressed Air	EA	USD 150	
	Water & Drainage	EA	USD 150	

Booth Fees

Booth Type	Price
Shell Scheme(9m ²)	USD 1,500
Space Only(9m ²)	USD 1,200
